Dear Mr. Stevens,

Thank you for contacting the Ohio History Connection and I'm sorry for the delay in responding.

Attached are the documents pertaining to your request that have been found in the records in paper format transferred from Governor Kasich's Administration.

Please note that portions of these records, clearly indicated in black, have been redacted. The redacted information includes home addresses, which are not considered public records. *See e.g., Dispatch v. Johnson* (2005), 106 Ohio St. 3d 160, R.C. §149.011(G), the Federal Privacy Act: 5 U.S.C. §552a; *State ex rel. Office of Montgomery Cty. Pub. Defender v. Siroki* (2006), 108 Ohio St. 3d 207; and *State ex rel. McCleary v. Roberts* (2000), 88 Ohio St. 3d 365.

The transfer of the electronic records from Governor Kasich's Administration took longer than anticipated and we are still processing the records so they can be searched. We hope to begin searching the electronic records in the next week or two and can provide you with an invoice/estimated cost when we've conducted the search.

In the meantime if you have any questions please let me know.

Sincerely,

Fred Previts | State Archivist
